

“Any one with ordinary ability can learn much of Astrology. It is no longer a difficult study. With proper instruction and a reasonable amount of effort one can learn to cast a horoscope and read it so that it becomes a guide to important affairs of life.”

Dr.NVRA Raja

“I sincerely hope and trust that my System (Stellar-Naadi Principles) will benefit the readers in predictions and interpretations of the Horoscopes to a large extent to accuracy and precision”

Meena 2's words.

JKR Astro Research Institute announces starting of Stellar Astrology classes from 11th September, 2011, at Secunderabad.

Dr.NVRA Raja along with experts in the field of Astrology will be taking classes and guide the students to learn and analyse the horoscope from basics to advanced methods.

Only limited students will be trained in this first batch.

Those are interested to learn and master the subject please contact

Dr.NVRA Raja
